

Every Nifty 50 stock, by sector

All 50 constituents grouped into sectors — headline fundamentals plus the best historical “buy-before / sell-after” rule & win rate for each event type. ★ marks each stock’s strongest event pattern.

■ win $\geq 60\%$ (strong)
 ■ 50–59% (some edge)
 ■ $< 50\%$ (weak)
 – = not applicable

Fundamentals: latest annual (Screener) · win rate = share of past events where the best rule made money (in-sample) · read with the event count (n) · for study, not investment advice.
